Welcome Aboard

CAT

Work. School. Play. We're There.

Welcome to Charlottesville Area Transit!

CAT provides bus service to the greater Charlottesville area. Riders enjoy safe, clean, and comfortable service Sunday through Saturday.

This guide is an introduction to **CAT**'s system. For additional information, including updates and important notifications, please visit **CAT** online at www.CatchTheCat.org or call (434) 970-3649.

Fares

Fares Available for Purchase on board **CAT** Buses

The farebox accepts pennies, nickels, dimes, quarters, \$1 coins, \$1 bills, \$2 bills, \$5 bills, \$10 bills, and \$20 bills. Group sales are available. Drivers are unable to make change.

- Aisleways are to remain clear.
- Headphones are to be used with all audio devices.
- Consecutive loop riding is prohibited.

Real-Time Arrival Information

Find out where your bus is before it arrives! **CAT** has three convenient ways to check real-time information.

Mobile App

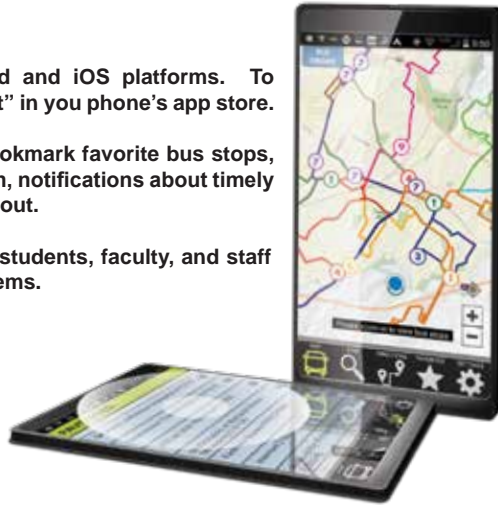

The **CAT** app is available on both the Android and iOS platforms. To download, search for "Charlottesville Area Transit" in your phone's app store.

With the app, you can see where your bus is, bookmark favorite bus stops, and discover alternative route options. In addition, notifications about timely detours or service changes are regularly pushed out.

New in 2017 is the addition of UTS routes. UVA students, faculty, and staff are now able to use one app for both transit systems.

Online

Point your browser to www.CatchTheCAT.org. From the home page, select the "Passenger Tools" option from the left side column. Once loaded, you can select either **CAT's** real-time route map or the bus stop search feature.

Phone

If you have your 5-digit bus stop number handy, you can call **CAT's** real-time arrival information line. To call, dial (434) 970-3649 and select option 0. When prompted, enter the number associated with your bus stop.

Walkers

Walkers shall not obstruct the aisleway or block additional seating. When practical, walkers shall be folded and stowed.

Personal Carts

Carts used to carry personal items are allowed if the cart can be kept between a passenger's legs and out of the aisleway. If a cart is too big or it obstructs the aisleway, the cart must be emptied, folded, and stowed.

Bikes & Buses

1 Squeeze handle and pull down rack

2 Place bike in slot with front tire towards hook

3 Grasp hook

4 Pull on hook to extend and then lift over tire

CAT provides the best of both biking and busing worlds! We welcome bicycle riders on buses, and provide convenient bike racks on the front of all buses and trolleys.

Each rack holds two bicycles, and space is available on a first come, first served basis.

When the bus arrives, signal the driver that you want to load your bike. You are responsible for loading and securing your bike to the rack.

To do so, follow the simple steps in the diagram to the left.

Upon reaching your destination, remind the driver that you will be unloading your bike, and make sure the driver acknowledges you.

Transfers

When traveling on a **CAT** bus, your starting and ending locations may not be served by the same route. To reach your final destination, you may need to transfer to another bus.

Passengers are allowed to ask drivers to hold a connecting bus. The connecting bus may only be held for two minutes past its departure time. If a passenger originally paid with a Single Ride fare, he or she will need to pay again when boarding the second bus.

Transfers are allowed at the following locations:

- Downtown Transit Station (If applicable, drivers may elect to drop passengers off at the Omni bus stop on Ridge McIntire Road to catch their route at the Omni bus stop on Water Street)
- Barracks Road Shopping Center
- Fashion Square Mall
- JPA @ Pinn Hall
- JPA @ UVA Hospital

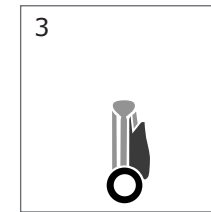

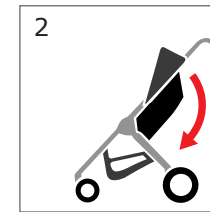

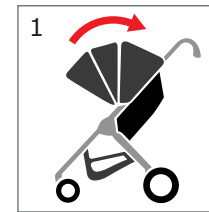

To request a transfer, alert your driver as you board. Please keep in mind that transfers are not guaranteed.

Time Points

When looking at the timetables contained in this guide, you'll notice that certain bus stops have assigned times. These times are called time points. If a bus arrives early, the bus must wait until the printed time to depart.

Strollers

Strollers shall be folded and stowed. Properly stowed strollers shall not obstruct the aisleway. If it is not practical to fold and stow a stroller, please ask the driver to secure the stroller through the use of the vehicle's securement system.

Mobility Devices

All **CAT** buses are accessible to persons with disabilities. Let your driver know if you need help getting on and off the bus. To ensure safe travels, all mobility devices are secured through the use of a four point tie down system.

ADA Paratransit Services

Passengers who are not able to use fixed route service due to a disability or ailment may qualify for paratransit services. Applications can be downloaded from **CAT's** website or picked up from the Downtown Transit Station. Paratransit service is provided for destinations within 3/4 of a mile of fixed route service. Each paratransit trip costs \$1.50. For passengers who are certified, the first ADA card is free. Replacement ADA cards cost \$10.

Downtown Transit Station

The Downtown Transit Station (DTS) is located at 615 East Water Street. The DTS houses **CAT's** Customer Service Desk. Whether you have questions about **CAT's** routes or need to purchase a bus pass, customer service is there for you.

The DTS is open Monday through Saturday from 7:00 AM to 8:00 PM (Fare sales from 7:00 AM to 7:30 PM). On Sundays, the station is open from 9:00 AM to 5:00 PM (Fare sales from 9:00 AM to 4:00 PM). To contact the DTS directly, dial 434-970-3649 and select option 3.

Youth Ride Program

If you are under the age of 18, you can ride **CAT** for free. As part of **CAT**'s youth program to encourage transit use, **CAT** has expanded its summer youth ride program to offer youths free rides year round!

Youths under the age of 13 can simply board the bus without the need for a special ID.

Youths between the ages of 13 and 17 can ride free with a valid Youth Smart Card. The card will allow the student to ride any **CAT** bus free of charge until December 31st of the year they turn 18.

To obtain a Youth Smart Card, you'll need to visit **CAT**'s Downtown Transit Station (DTS) located at 615 East Water Street, Charlottesville, VA 22902. The station issues cards Monday through Saturday from 9:00 AM to 7:00 PM.

When visiting the DTS, Charlottesville City School students will need to present their school issued ID. Non-Charlottesville City School students will need to bring both a legal guardian and a birth certificate or state ID.

The first Youth Smart Card is free. Replacement Youth Smart Cards cost \$10. **CAT** is not responsible for lost, damaged, or stolen cards.

UVA Program

Under a pre-paid arrangement between **CAT** and the University of Virginia, UVA students, faculty, and staff are able to ride CAT buses for free with a valid UVA ID.

When boarding the bus, scan your UVA ID through the farebox. To scan, simply hold the ID badge five to six inches below the barcode reader (page 2). Once accepted, you will hear a confirmation tone.

Compliment & Complaint Line

Did something happen on your trip? Let **CAT** know! You can leave feedback on **CAT**'s complaint and compliment line. Simply dial 434-970-3649 and select option 1. Please be as descriptive as possible about the incident including the date, time, bus number, and location.

7 Steps for an Easy & Safe Commute

1

FIND A DESIGNATED BUS STOP

Official stops are marked with a **CAT** bus stop sign, a unique five digit number, and supplemental routing information. To find a bus stop near you, check the route maps contained in this guide. Bus stops are represented by dots and icons. Please keep in mind that drivers are only allowed to pick up and drop off at an official **CAT** bus stop.

ARRIVE EARLY

There's nothing worse than missing a bus by 30 seconds. When walking to a bus stop, give yourself a few extra minutes. A bus will only pick up passengers who are actively waiting at a bus stop.

2

3

HAVE YOUR FARE READY

While you are waiting at your stop, take a moment to prepare your fare. If you are using a 24-Hour Pass, smart card, or UVA ID please have it ready to scan through the farebox. Having your fare ready will help expedite the boarding process and ensure the route stays on time.

4

BOARD THE BUS

When the bus arrives at your stop, give exiting passengers a chance to get off. Once clear, all boarding passengers should enter through the front door. The driver will collect fares through the use of an automated farebox. If you plan on purchasing a 24-Hour Pass, verbally let your driver know. The farebox will dispense the requested pass once you have deposited your money.

5

PICK A SEAT

Once your fare has been paid, please take a moment to find the nearest seat. If all seats are full, passengers are encouraged to move towards the back of the bus. Doing so will keep the entrance doors clear and allow additional passengers to board. If the bus fills during the trip, please give your seat to the elderly and persons with disabilities.

6

REQUEST A STOP

As the bus nears your stop, let the driver know you want off by pulling one of the bell cords located above each window. When requesting a stop, please pull the cord early enough to allow for a smooth stop. Failure to do so may result in the bus skipping your stop and serving the next stop.

EXIT THE BUS

When possible, passengers should exit the bus through the rear doors. If you must cross the street, please wait for the bus to depart and then cross behind. Unlike school buses, transit buses do not have the authority to stop traffic. Passengers should be mindful of their surroundings before crossing.

Inclement Weather Schedule

While it is **CAT's** goal to maintain full service during inclement weather, road conditions may prohibit buses from traveling safely. Detours, reduction in service frequency, and/or the temporary elimination of certain routes may occur. Decisions to reduce service will be pushed out through **CAT's** mobile app, **CAT's** Facebook page, and to the local media.

LEVEL 1

- **CAT** routes operate as scheduled.

LEVEL 2

- Free Trolley will detour the 2nd Street Mall Crossing.
- Route 1 will detour the upper portion of PVCC and Monticello Road. Instead Route 1 will travel up Monticello Avenue when returning from PVCC. Service to the Stultz Center will be maintained.
- Route 3 will not serve Altavista Avenue, Belmont Park, and portions of Avon Street. Instead Route 3 will travel up Monticello Avenue.
- Route 4 will detour Ridge Street and Cherry Avenue between Ridge Street and Roosevelt Brown Boulevard. Instead Route 4 will travel on West Main Street.
- Route 6 will detour Ridge Street and Brookwood Drive. Instead Route 6 will use 5th Street.
- Route 10 will not serve the Social Security Office.
- Route 11 will detour Rio Road between Melbourne Road and John W. Warner Parkway. Instead Route 11 will travel on John W. Warner Parkway.

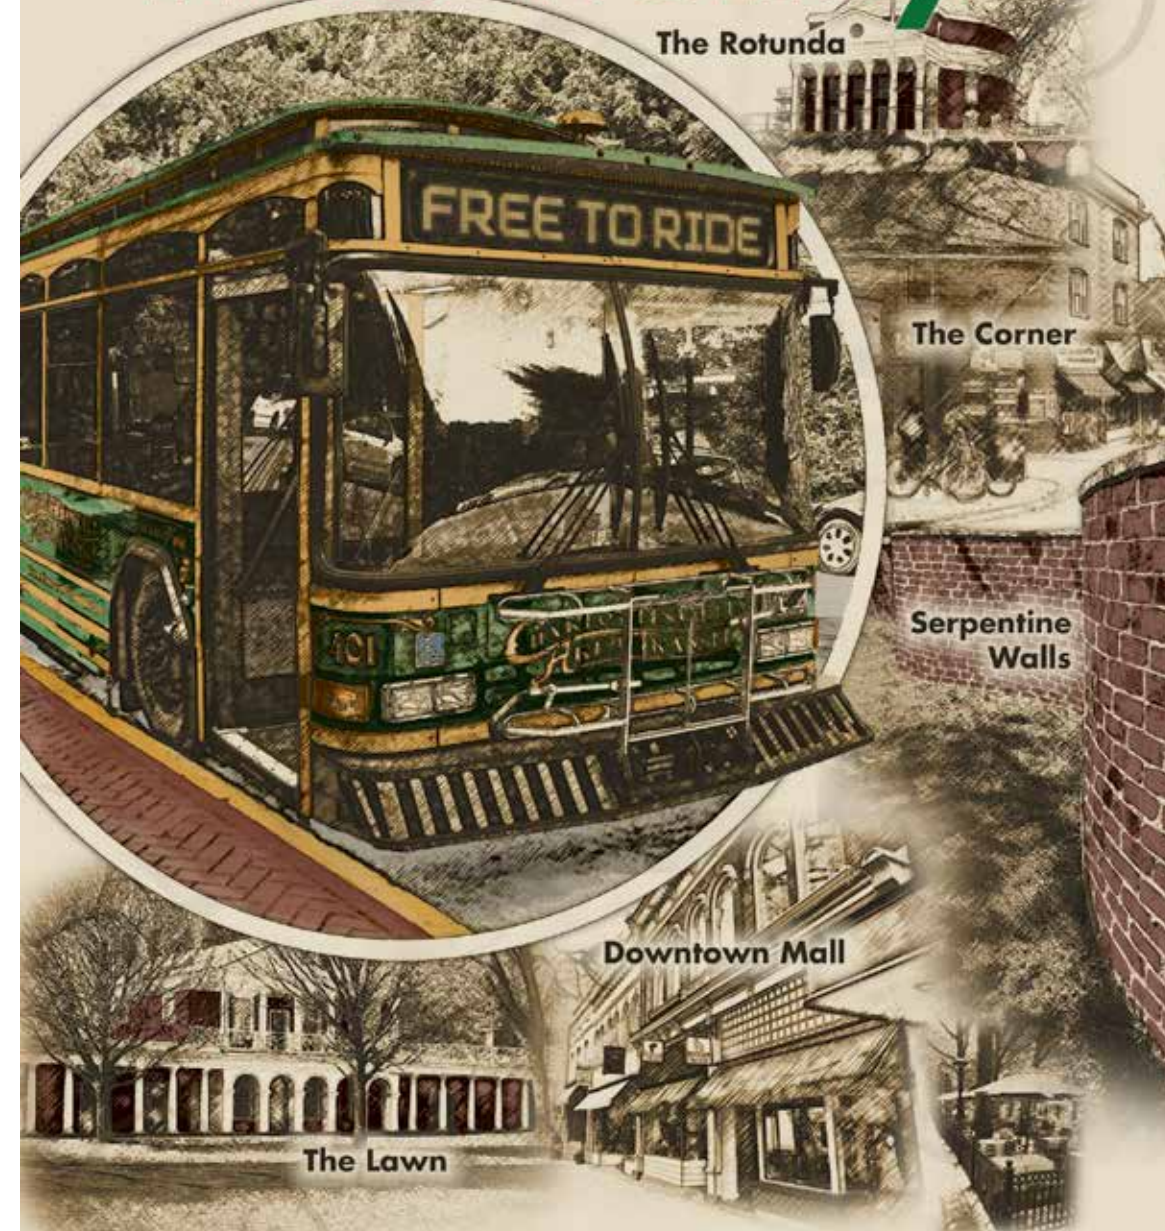

LEVEL 3

- Free Trolley will detour the 2nd Street Mall Crossing.
- The following routes will not operate: Route 1, Route 4, Route 6, Route 8, Route 9, Route 10, Route 11.
- Route 3 will only serve East Market Street, Water Street, Ridge Street, 5th Street, and 5th Street Extended.
- Route 5 may not serve areas north of Commonwealth Drive.
- Route 7/12 may detour Kroger on Hydraulic Road and Hillsdale Drive.

LEVEL 4

- The Free Trolley, Route 2, and Route 7/12 will operate on a limited service schedule. All other routes will be suspended. Route 7/12 will not serve areas north of the Barracks Road Shopping Center.
